

FAMILIES HELPING FAMILIES

RiverWorks Food Shelf is an emergency food shelf, meaning that when other resources are exhausted families come to us. Tough choices need to be made when the paycheck, Social Security check, food stamps or an unemployment check don't stretch far enough to feed a family. We can't meet all their needs, but we can provide some relief by helping with a basic need – food.

RiverWorks buys food from Second Harvest. Second Harvest is a food bank that is a collection point for large donations from corporations which allows us to order food at a lower price. On an average, for every \$1.00 we spend with Second Harvest we purchase \$9.00 in food.

Please consider your family partnering with RiverWorks to feed families. Your dollars are staying right here in the Rockford/Greenfield area helping neighbors!

From March 2010 – January 2011, **RiverWorks Food Shelf served 1,197** individuals here in the Rockford/Greenfield area. The need is greater than we ever imagined!
